## International

Based in Sydney, Australia, **LawConnexion** is uniquely placed to assist its clients develop their professional network and forge key relationships with solicitors in top-tier and mid-tier domestic and international law firms. Our wealth of knowledge of, and experience in, the legal industry and our extensive international network, makes LawConnexion an invaluable resource for legal practitioners seeking to broaden their international connections and become apprised of experts in their field.

Our global reach has seen us represent practitioners in the United Kingdom and Asia-Pacific Region. We have provided strategic advice to, and assisted with implementation of tailored strategic plans for barristers, arbitrators and mediators of all levels. We have also been exclusively retained by various leading chambers.

In a competitive global legal market and with the increased use of alternative dispute resolution as a means of resolving disputes, such as international commercial arbitration, solicitors must ensure that they have access to a range of commercially-minded and technically competent barristers and alternative dispute resolution practitioners. LawConnexion provides a channel for solicitors to source experts, to suit their individual clients' needs, given the subject matter and complexity of the dispute.

LawConnexion's Principal and Founder, **Nicole O'Hare**, has a strong interest in litigation and alternative dispute resolution, on which her University Thesis was focused. She has had extensive experience practising as a solicitor in litigation, arbitration and mediation and has worked closely with barristers and alternative dispute resolution practitioners, of all levels, across various practice areas.

LawConnexion was founded 2013 to act as a valuable intermediary for the legal profession and since that time, we have successfully forged mutually beneficial relationships for our clients and their prospective clients, both domestically and internationally.
